

# Leadership Aptitude Reports Infor Talent Science

Page 2 of 16

## Overview

**Leadership Aptitude Reports** identify people with the right aptitudes for your unique management and senior-level positions using the existing assessment from Infor Talent Science.

This means that you can use the assessment results from external talent and current employees for a vastly deeper understanding of their potential leadership qualities. This promotes better pre-hire dialogue and your ability to scalably maximize untapped talent within your current employee population.

## Organizational Benefits

- 01 | Identify strengths and opportunities
- 02 | Improve communication
- 03 | Increase team performance
- 04 | Heighten leadership development
- 05 | Identify internal talent pools
- 06 | Reduce turnover
