

INFOR U

Purchasing training just got easier: Infor Education Credits

Infor™ Education Credits are prepaid training funds that provide you with the flexibility to choose and engage with training options that best align with your learning goals, without the need for additional financial commitments.

Upon purchase, the credits are assigned to your account and made available for use. You can plan and decide when to spend the credits, supporting your team's training needs over time.

These credits can be consumed up to 18 months from the date of purchase.

Key benefits

Cost-effective

Prepay and receive additional credits with purchases of \$50,000 USD or more. The tiered credit structure ensures the best value for larger training investments.

Convenient

Minimize administrative work and avoid the need for separate budget approvals. This eliminates the hassle of creating multiple purchase orders and allocating training budgets on an ad-hoc basis.

Flexible

Use the credits to fulfill multiple training needs for your team within the consumption window of 18 months.

YOU CAN USE THE EDUCATION CREDITS TOWARD A VARIETY OF INFOR U CONTENT:

- eLearning
- Self-directed learning
- Public and private instructor-led training
- Private on-site instructor-led training
- Training environment for hands-on practice

About Infor

Infor is a global leader in business cloud software products for companies in industry-specific markets. Infor builds complete industry suites in the cloud and efficiently deploys technology that puts the user experience first, leverages data science, and integrates easily into existing systems. Over 67,000 organizations worldwide rely on Infor to help overcome market disruptions and achieve business-wide digital transformation.
