

Certification Exam Guide

Infor Certified M3 Installation Consultant v13.3

Exam #: M3-INSC133-110

Certification Program

Target Audience

This exam targets the skills and abilities required by an M3 Installation Consultant with relevant experience to successfully install and configure M3 core technology products.

Exam Details

- Exam number: M3-INSC133-110
- Onsite or Online, proctored
- 70 questions
- 90 minute time limit

Schedule and Register

Below are the steps to schedule and register for an onsite or online proctored exam.

- Infor partners: Information on how to request your voucher code [can be found here](#).
- Infor employees: Obtain your coupon code from the [Infor Services Career Portal](#) (click the orange Infor Product Certification Program button.)
- If you require an additional time accommodation for a disability or because English is not your first language, send a request to certification@infor.com at least 5 days prior to your exam date/time.

Onsite

Prior to registering for an exam, please follow the steps below to register for your preferred exam date/time:

1. If required, create a new account by clicking [here](#).
2. If you already have an account, login to [Webassessor](#).
3. Click Register for an Exam.
4. Click Select next to the Onsite Proctored option for the exam you wish to attempt.
5. Search for a test center or choose one of the closest test centers listed and click Select.
6. Select your preferred date and time to attempt the exam. (Test centers set their own testing schedules.)
7. Read and accept the Terms and Conditions and then click Select.
8. If you have an Infor partner voucher code or Infor employee coupon code, enter the code and click Apply.
9. If the exam details are correct, click Checkout.
10. If using a credit card, enter your credit card information and click Submit.
11. After confirming payment, click Done. You will receive a confirmation email with your Test Taker Authorization Code and additional onsite details.

Please Note:

- Ensure you have your Test Authorization Code with you when you arrive at the test center. You cannot attempt your exam without the Test Authorization Code, and no refund will be provided.
- Please arrive at the test center at least 15 minutes prior to your scheduled exam.
- Parking and other test center specific instructions are included in your confirmation email.

[Register here](#)

Online

Prior to registering for an exam, please follow the steps below at least 5 days prior to you preferred exam date/time:

1. [Test your Internet connection](#) to ensure your computer meets the required speeds for online testing.
2. Validate you have the required webcam (built-in webcams ARE permitted), microphone (headsets are NOT permitted) and security software installed as outlined on [this Kryterion help page](#).
3. If you encounter any problems, contact Kryterion Support:
 - o Email: support@kryteriononline.com
 - o Live Chat: <https://www.kryteriononline.com/test-taker/online-proctoring-support>
 - o Phone: 1-877-313-2008 (U.S.) or +001-602-659-4679 (International)
4. If required, create a new account by clicking [here](#).
5. If you already have an account, login to [Webassessor](#).
6. Click Register for an Exam.
7. Click Select next to the Online Proctored option for the exam you wish to attempt.
8. Select your preferred date and time to attempt the exam and click Select.
9. Read and accept the Terms and Conditions and then click Select.
10. If you have an Infor partner voucher code or Infor employee coupon code, enter the code and click Apply.
11. If the exam details are correct, click Checkout.
12. If using a credit card, enter your credit card information and click Submit.
13. After confirming payment, click Done.
14. You will receive a confirmation email.

Exam Topic Area Summary

The following summarizes the percentage of each topic area included on the exam:

- Data Management - 3%
- Product Administration - 3%
- Setup & Configuration - 76%
- System Administration - 18%

Related Training and Documentation

Although not required, the following training courses and documentation cover content included in this exam:

- Training courses on Infor Campus:
 - M3: v13x Administering LifeCycle Manager
 - M3: v13x Administering the System - Advanced
 - M3: v13x Administering the System - Introduction
 - M3: v13x Configuring ION Enterprise Search
 - M3: v13x Training Guide - Installing the Solution
 - M3: v13x Introducing the Technology
 - M3: v13x Using SQL
- Other documentation on the Infor Support Portal <http://inforxtreme.com> under Documentation:
 - M3 Core Installation Guide
 - Infor Operating Service Installation Guide

Exam Objectives by Topic Area and Resource

This certification exam includes the following exam objectives by topic and resource.

Resource and related exam objective(s)	Topic Area and Percentage			
	Data Management	Product Administration	Setup & Configuration	System Administration
	3%	3%	76%	18%
M3: v13x Administering LifeCycle Manager				
Perform application administration tasks in Infor M3.			X	
Describe the architecture for LCM.			X	
Describe the purpose of LifeCycle Manager (LCM).			X	
Describe the tasks required to install fixes and customer modifications to the Infor M3 Business Engine.			X	
Describe the tasks required to install fixes to the Grid and to the Grid applications.			X	
M3: v13x Administering the System – Advanced				
Describe Infor M3 system configuration.			X	
Explain how to do basic grid work management.			X	
Describe how to manage fixes in Infor M3.			X	
M3: v13x Administering the System – Introduction				

Resource and related exam objective(s)	Topic Area and Percentage			
	Data Management	Product Administration	Setup & Configuration	System Administration
	3%	3%	76%	18%
Describe the roles of the various servers and software components in the Infor M3® application.				X
Identify M3 environment properties.				X
Locate M3 environment directories and database schemas.				X
Stop and start M3 environments.				X
M3: v13x Configuring ION Enterprise Search				
Administering ION Enterprise Search.		X		
M3: v13x Training Guide - Installing the Solution				
Describe the Infor M3 Metadata Publisher (MDP) installation process.			X	
Describe the Infor ION Grid Core Technology installation process.			X	
Describe the M3 Adaptation Kit (MAK) installation process.			X	
Explain the differences between an Infor M3 solution installation on a Windows platform and on IBM i® with DB2 and AIX with Oracle® platforms.			X	
Describe the Infor M3 H5 Client Enterprise Edition installation process.			X	
Describe the Implementation Accelerator installation process.			X	
Describe the Infor ION Grid installation process.			X	
Describe the Infor M3 13.x Documentation Infocenter installation process.			X	
Describe the Infor M3 Business Engine (M3 BE) Feature Pack installation process.			X	
Describe the Infor M3 UI Adapter and H5 Foundation installation process.			X	
Describe the Infor Smart Office (ISO) installation process.			X	
Describe the LifeCycle Manager (LCM) installation process.			X	
Describe the M3 Business Engine (M3 BE) Environment installation process.			X	
Describe the M3 Web Services Runtime (MWS) installation process.			X	
Identify the core components included in a core Infor M3 solution installation.			X	
M3: v13x Introducing the Technology				
Identify the advantages of the Infor M3 product architecture.				X
Identify the main components of Infor M3 System Foundation.				X
Describe the technical framework of Infor M3.				X
M3: v13x Using SQL				
Locate database tables using SQL Server Management Studio (SSMS).	X			
Identify Infor M3 database components.			X	
Use basic SQL commands and functions.			X	
M3 Core Installation Guide				
Describe the IFS installation process.			X	
Infor Operating Service Installation Guide				
Describe the OS installation process.			X	

Questions and Help

Additional Certification Program information is available at www.infor.com/certification

The Certification Program rules, policies, and procedures, including credentials and badging, are available in the [Infor Certification Program Guide](#).

Additional information about Infor Education training courses is available at www.infor.com/education.

Your results will be available in [CertMetrics](#) 24 hours after you receive your test results.

If you experience any issues when registering for a certification exam, please contact support@kryteriononline.com.

If you need help registering for a training course, please contact:

- For Americas: EducationAmericas@infor.com
- For Europe, the Middle East and Africa: EducationEMEA@infor.com
- For Asia Pacific: EducationAPAC@infor.com

Sample Questions

The sample questions below provide examples of the types of questions included on the certification exams delivered through the Webassessor testing platform. The correct answers are provided for reference purposes only in the following Key to Sample Questions section. **Note:** The Webassessor platform randomizes all certification question items and answer options during the exam.

1. Which one of the following options describes when to use ION Enterprise Search (IES) crawls to sync IES with the Infor M3 database?
 - A. For disaster recovery if events have been lost
 - B. To update tables at the Local Management Pages
 - C. For Infor M3 events routed through the Infor M3 Event Hub
 - D. For online updates with the M3 database.
2. Which two of the following options are part of the Infor M3 database tier? Choose 2 answers.
 - A. Middleware
 - B. Java Virtual Machine (JVM)
 - C. Java Database Connectivity (LDBC)
 - D. RLATechSoft (RLA)
 - E. UI classes
3. Which one of the following Infor M3 tiers allows Infor M3 to create customizations of the interface?
 - A. User and access tier
 - B. Application server tier
 - C. Grid tier
 - D. Web server tier
4. Which one of the following properties specifies the list of schemas (libraries) used when searching for database objects?
 - A. _db_propertiesLibrary
 - B. db.con.libraryList
 - C. db_data
 - D. db.con.defaultschema
5. Which one of the following steps is the first step to installing Implementation Accelerator (IA)?
 - A. Upload the package to LifeCycle Manager
 - B. Install the IA Data
 - C. Set up M3 Business Engine
 - D. Access the HTML content
6. Which two of the following options are Infor M3 BE tasks? Choose 2 answers.
 - A. Installing a service pack
 - B. Starting an environment
 - C. Maintaining a distributed runtime environment
 - D. Exporting fix information to a Microsoft Excel® file
 - E. Uploading an Infor M3 BE package

7. Which one of the following Session Providers do you select if you are going to be using Infor Federated Services (IFS) for Infor Ming.le?
- A. LDAP
 - B. SAML
 - C. Event Hub
 - D. Windows
8. You need to disable a product and unregister its non-applied components. Which one of the following LifeCycle Manager (LCM) Admin menu tabs would you use?
- A. Validate Dependencies
 - B. Product Logs
 - C. Register Logs
 - D. Manage Products
9. Which one of the following LifeCycle Manager (LCM) options does the LCM server authenticate a user against?
- A. User Workspace
 - B. LCM service
 - C. lcm.properties
 - D. User Registry
10. Which three of the following platform-dependent tasks does middleware support LifeCycle Manager (LCM) in executing? Choose 3 answers.
- A. Managing the entire Infor M3 application suite
 - B. Creating an Infor M3 BE database
 - C. Maintaining M3 output layouts
 - D. Configuring grid security
 - E. Copying BE data between environments
11. Which two of the following credentials are needed to retrieve M3 Grid and Grid application fixes? Choose 2 answers.
- A. LCM administrator credentials
 - B. M3 Security administrator credentials
 - C. Product administrator Remote Desktop access rights
 - D. M3 database schema access rights
 - E. Customer Correction Self-Service (CCSS) access rights
12. Which one of the following is the primary delivery vehicle in Customer Correction Self-Service (CCSS) for the installation of fixes in the M3 Business Engine environment?
- A. Maintenance Service Pack (MSP)
 - B. Environment Service Pack (ESP)
 - C. Maintenance Correction Entities (MCE)
 - D. Critical Transfer Patch (CTP)
13. Which one of the following amounts is the maximum amount of configuration components that you can assemble as a configuration object in Infor M3?
- A. Three
 - B. Four
 - C. Five
 - D. Six

14. Which one of the following M3 fixes is deployed by Infor support into the PRD environment?
- A. HFix
 - B. TFix
 - C. VFix
 - D. SFix
15. Which one of the following third-party applications must be installed before the Infor M3 Adaption Kit (MAK)?
- A. SQL Server
 - B. Subversion
 - C. Eclipse
 - D. Concurrent Versions System (CVS)
16. Which one of the following items must you install if you want to create your own web service?
- A. Documentation Infocenter
 - B. Implementation Accelerator (IA)
 - C. M3 Enterprise Collaborator (MEC) Server
 - D. M3 Web Services Runtime (MWS) Designer
17. Which one of the following steps is the first step when you install the Infor M3 BE Feature Pack?
- A. Apply the Infor M3 BE Feature Pack for MDK
 - B. Upgrade database with Fix/Feature Pack
 - C. Apply MI Metadata
 - D. Upload the Infor M3 BE Feature Pack
 - E. Apply the Infor M3 BE Feature Pack for MVX
18. Which one of the following products contains Session Providers, Event Hub and Event Analytics, MEC, and MWS?
- A. Implementation Accelerator (IA)
 - B. Infor M3 Core I&T
 - C. Infor M3 Business Engine (M3 BE) Base
 - D. Infor M3 H5 Enterprise Edition (H5E)
19. Which two of the following components should you install to establish the Infor M3 infrastructure after installing the prerequisite components? Choose 2 answers.
- A. Microsoft® SQL® Server
 - B. Infor ION Grid and the Infor M3 Core I&T
 - C. Infor M3 LCM
 - D. Java
20. Which one of the following products contains Session Providers, Event Hub and Event Analytics, MEC, and MWS?
- A. Infor M3 Core I&T
 - B. Infor M3 Business Engine (M3 BE) Base
 - C. Infor M3 H5 Enterprise Edition (H5E)
 - D. Implementation Accelerator (IA)

Key to Sample Questions

The correct answers for the Sample Questions are provided here for reference purposes only. **Note:** The Webassessor platform does not provide correct answers/feedback during the exam.

- Which one of the following options describes when to use ION Enterprise Search (IES) crawls to sync IES with the Infor M3 database?
 - For disaster recovery if events have been lost
 - To update tables at the Local Management Pages
 - For Infor M3 events routed through the Infor M3 Event Hub
 - For online updates with the M3 database.
- Which two of the following options are part of the Infor M3 database tier? Choose 2 answers.
 - Middleware
 - Java Virtual Machine (JVM)
 - Java Database Connectivity (LDBC)
 - RLATechSoft (RLA)
 - UI classes
- Which one of the following Infor M3 tiers allows Infor M3 to create customizations of the interface?
 - User and access tier
 - Application server tier
 - Grid tier
 - Web server tier
- Which one of the following properties specifies the list of schemas (libraries) used when searching for database objects?
 - _db_propertiesLibrary
 - db.con.libraryList
 - db_data
 - db.con.defaultschema
- Which one of the following steps is the first step to installing Implementation Accelerator (IA)?
 - Upload the package to LifeCycle Manager
 - Install the IA Data
 - Set up M3 Business Engine
 - Access the HTML content
- Which two of the following options are Infor M3 BE tasks? Choose 2 answers.
 - Installing a service pack
 - Starting an environment
 - Maintaining a distributed runtime environment
 - Exporting fix information to a Microsoft Excel® file
 - Uploading an Infor M3 BE package

7. Which one of the following Session Providers do you select if you are going to be using Infor Federated Services (IFS) for Infor Ming.le?
- A. LDAP
 - B. SAML
 - C. Event Hub
 - D. Windows
8. You need to disable a product and unregister its non-applied components. Which one of the following LifeCycle Manager (LCM) Admin menu tabs would you use?
- A. Validate Dependencies
 - B. Product Logs
 - C. Register Logs
 - D. Manage Products
9. Which one of the following LifeCycle Manager (LCM) options does the LCM server authenticate a user against?
- A. User Workspace
 - B. LCM service
 - C. lcm.properties
 - D. User Registry
10. Which three of the following platform-dependent tasks does middleware support LifeCycle Manager (LCM) in executing? Choose 3 answers.
- A. Managing the entire Infor M3 application suite
 - B. Creating an Infor M3 BE database
 - C. Maintaining M3 output layouts
 - D. Configuring grid security
 - E. Copying BE data between environments
11. Which two of the following credentials are needed to retrieve M3 Grid and Grid application fixes? Choose 2 answers.
- A. LCM administrator credentials
 - B. M3 Security administrator credentials
 - C. Product administrator Remote Desktop access rights
 - D. M3 database schema access rights
 - E. Customer Correction Self-Service (CCSS) access rights
12. Which one of the following is the primary delivery vehicle in Customer Correction Self-Service (CCSS) for the installation of fixes in the M3 Business Engine environment?
- A. Maintenance Service Pack (MSP)
 - B. Environment Service Pack (ESP)
 - C. Maintenance Correction Entities (MCE)
 - D. Critical Transfer Patch (CTP)

13. Which one of the following amounts is the maximum amount of configuration components that you can assemble as a configuration object in Infor M3?
- A. Three
 - B. Four
 - C. Five
 - D. Six
14. Which one of the following M3 fixes is deployed by Infor support into the PRD environment?
- A. HFix
 - B. TFix
 - C. VFix
 - D. SFix
15. Which one of the following third-party applications must be installed before the Infor M3 Adaption Kit (MAK)?
- A. SQL Server
 - B. Subversion
 - C. Eclipse
 - D. Concurrent Versions System (CVS)
16. Which one of the following items must you install if you want to create your own web service?
- A. Documentation Infocenter
 - B. Implementation Accelerator (IA)
 - C. M3 Enterprise Collaborator (MEC) Server
 - D. M3 Web Services Runtime (MWS) Designer
17. Which one of the following steps is the first step when you install the Infor M3 BE Feature Pack?
- A. Apply the Infor M3 BE Feature Pack for MDK
 - B. Upgrade database with Fix/Feature Pack
 - C. Apply MI Metadata
 - D. Upload the Infor M3 BE Feature Pack
 - E. Apply the Infor M3 BE Feature Pack for MVX
18. Which one of the following products contains Session Providers, Event Hub and Event Analytics, MEC, and MWS?
- A. Implementation Accelerator (IA)
 - B. Infor M3 Core I&T
 - C. Infor M3 Business Engine (M3 BE) Base
 - D. Infor M3 H5 Enterprise Edition (H5E)
19. Which two of the following components should you install to establish the Infor M3 infrastructure after installing the prerequisite components? Choose 2 answers.
- A. Microsoft® SQL® Server
 - B. Infor ION Grid and the Infor M3 Core I&T
 - C. Infor M3 LCM
 - D. Java

20. Which one of the following products contains Session Providers, Event Hub and Event Analytics, MEC, and MWS?

- A. Infor M3 Core I&T
- B. Infor M3 Business Engine (M3 BE) Base
- C. Infor M3 H5 Enterprise Edition (H5E)
- D. Implementation Accelerator (IA)
