

Infor U

Maximize the value of Infor solutions with continuous learning

Increase productivity and drive accelerated product adoption

The true potential of Infor solutions extends beyond the advanced functionalities and contemporary features of the products. Complete adoption of the solutions across diverse roles and industries throughout the enterprise brings your Infor solutions to life.

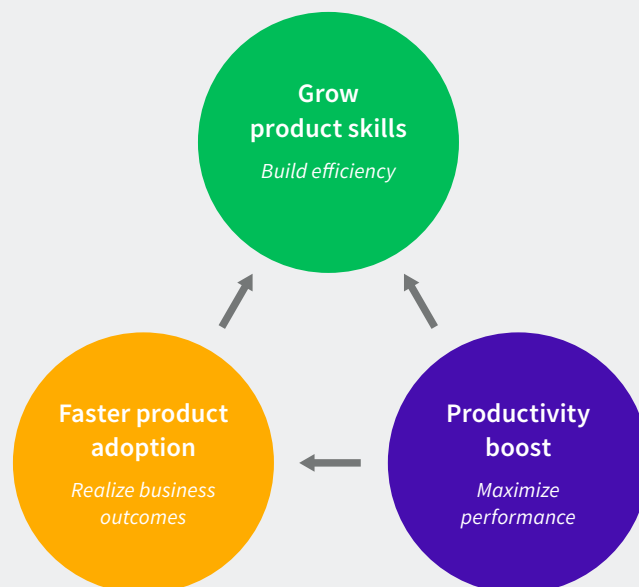

Infor U™ offers a simplified learning experience throughout the entire learner journey. This best-in-class modern learning platform provides a cutting-edge digital learning experience with next-generation features and functionalities.

Infor U offerings serve as a catalyst, accelerating capabilities and productivity to empower customers' businesses for higher growth.

Key benefits

Infor U empowers you to achieve your business transformation goals by driving skills and capabilities growth.

Unlock the power of Infor solutions:

Grow product skills

By investing in growing product skills, Infor U enables you to enhance efficiency in your processes and systems. This equips you with the knowledge and expertise to navigate our products and maximize your operational efficiency.

Productivity boost

With increased efficiency, you gain a significant boost in productivity, empowering you to maximize your performance and achieve your goals more effectively.

Faster product adoption

As you gain product skills, enhance efficiency, and increase performance, you naturally experience faster product adoption. This accelerated adoption enables you and your teams to swiftly leverage our solutions to meet your business objectives, driving successful outcomes.

- Role and industry-specific learning paths
- Multiple training modalities
- Best-in-class instructors

- Digital learning
- Instructor-led learning
- Blended learning
- Certification program

Diverse learning solutions tailored to your unique needs

Infor U offers a wide range of learning solutions tailored to meet your learning needs.

Our solutions encompass project team training, learning subscriptions, certification programs, and User Adoption Platform (UAP) services, all accessible through various learning delivery formats, ensuring your teams have the necessary skills and knowledge.

Project team training

Empower your project teams with strategic preparedness to make informed decisions for your organization.

Learning subscriptions

Unlock unlimited learning opportunities with our subscription offerings, providing unrestricted access to on-demand learning content and ensuring continuous skill development.

Certification program

Verify your learning and receive industry-level recognition by earning certifications.

User Adoption Platform (UAP)

A comprehensive solution for your teams to rapidly create, organize, distribute, access, and maintain content for on-demand learning and real-time performance support.

Infor U Campus

Our modern learning platform, Infor U Campus, serves as the portal to your learning experience. Designed to unlock your full potential, it offers tailored guidance and support at every step, ensuring a seamless learning journey.

Key benefits

Simplified navigation and searchability

Enjoy an engaging user experience and immersive learning. Easily navigate through clearly-defined learning paths using keyword search and smart filtering (Industry, Product, or Internal training).

Simplified enrollment and completion

Enroll in an entire set of courses with just one click, saving time and effort. Track progress and completions using a simple progress bar.

Enhanced learner engagement

Gain engaging learning experiences tailored to individual preferences. From e-learning modules to self-directed study and instructor-led classes, all within a trackable learning environment.

Industry-focused content and learning paths

Leverage industry-focused content and curated learning paths tailored to your specific field, ensuring relevant and targeted skill development.

Stay ahead with the latest Infor features & releases

Easily access training releases biannually with the ability to consume content across industry solutions.

At Infor U, we strive to continually improve your learning journey. With Infor U Campus, it makes it easy to find what you need, when you need it.

We regularly engage with you to provide updates and introduce new learning platform features designed to support you at every stage of your learning journey.
